I have been a practicing veterinarian for over 30 years, focusing exclusively on holistic veterinary care for the last 20+ years. My practice includes Traditional Chinese Veterinary Medicine (TCVM), Veterinary Spinal Manipulative Therapy (VSMT), and Veterinary Massage and Rehabilitation Therapy (VMRT). My goal is to provide the best comfort, quality of life, and longevity for my patients.

I have been a Fellow of the American Academy of Veterinary Acupuncture since 2014. I am certified in Veterinary Acupuncture, Chinese Herbal Therapy, Chinese Food Therapy, Tui-na, Veterinary Spinal Manipulation, Massage and Rehabilitation. I am currently on faculty for the Veterinary Spinal Manipulation Program at the Healing Oasis Wellness Center.

Skills: Veterinary acupuncture, Chinese herbal medicine, Tui-na, Chinese food therapy, western herbal medicine, veterinary spinal manipulative therapy, veterinary massage and rehabilitation therapy, craniosacral therapy

PROFESSIONAL

VETERINARIAN AND OWNER (2004-)

Harmony Veterinary Services, Madison WI

House call practice specializing in Veterinary Acupuncture and Veterinary Spinal Manipulative Therapy in the greater Madison area. The practice has grown to include all aspects of Traditional Chinese Veterinary Medicine for small and large animals (and occasional exotics).

VETERINARIAN AND CO-OWNER (2011-),

HarmonyVet Acupuncture and Spine Care, Madison WI

HarmonyVet Acupuncture and Spine Care provides holistic veterinary medicine to small animals and horses. My practice focuses on Veterinary Spinal Manipulative Therapy and Traditional Chinese Veterinary Medicine, including acupuncture, Chinese herbal medicine, Tui-Na, and food therapy, with the addition of western herbal medicine, nutrition, and veterinary massage and rehabilitation therapy.

FACULTY (2021-)

Healing Oasis Wellness Center

Full-time faculty for the Veterinary Spinal Manipulative Therapy course in a VSMT Postgraduate State-Approved Certification Program.

INSTRUCTOR (2013-)

Chi University, Reddick FL

Instructor for the small animal basic acupuncture course taught at Chi University. Involves teaching the localization of acupuncture points, acupuncture techniques, and acupuncture treatment of veterinary patients to a small student group during eight, 4-hour labs. Classes take place over three separate weekends.

VETERINARIAN (2005-2012)

Animal Holistic Care Specialists, Marshall WI

Provided veterinary acupuncture at this clinic part-time, treating both small and large animals.

VETERINARIAN (1994-2003)

State College Veterinary Hospital, State College PA

General small animal medicine and surgery including emergency care.
