Providing Animal Chiropractic and Physical Rehabilitation (beginning 1/2016) Services in busy, wholistic care, veterinary office. Coordinating care in close cooperation with veterinarians, clients, and patients.

2000-Present

Self-employed chiropractor.

Bought an existing practice in Penn Hills, PA in 2000, and added a second location in Murrysville, PA in 2006. Solo practitioner responsible for all phases of patient care and practice management in a practice based on the principles of Applied Kinesiology.

2001-2012

Instructor in Anatomy and Physiology, and Pathology.

Taught at the Pittsburgh School of Massage Therapy and the Massage Therapy Institute of Western Pennsylvania. Taught extensive courses in Anatomy and Physiology, and Pathology, as well as being the head of the Anatomy Department at both of those schools. Responsible for writing curriculum, preparation of course material, classroom presentation and coordination with other instructors.

2004-2007

Instructor in Kinesiology for the Massage Therapist.

Taught a 50 hour, 6 session continuing education course in Applied Kinesiology, adapted to the needs and practice of massage therapists. Responsible for development and presentation of course material, as well as administration of the course and students.

1994-2000

Centro Static, Catania, Italy.

Worked as a chiropractor in an extremely busy chiropractic office in Catania, Italy. Responsible for the delivery of chiropractic services, daily, and the ongoing coordination of patient care with the medical doctors and physical therapists who also worked in the office.

1992-1994

Self-employed chiropractor.

Worked in several locations in the Pittsburgh, Greensburg, and Canonsburg, PA areas, as a chiropractor in solo practice. Responsible for all aspects of patient care and practice management. Also provided coordinated care with the other practitioners at the Pittsburgh Headache Institute.

1993-1994

Instructor in Anatomy and Physiology.

Took over instruction of Anatomy and Physiology at the Pittsburgh School of Massage Therapy. Rewrote and restructured the Anatomy curriculum in coordination with massage instructors at the school. Responsible for course preparation and presentation.

1989-1992

Instructor, review section of Biochemistry, while a student at Palmer College.

Worked in coordination with Biochemistry II instructor, Dr. James Smith, to further review course material and prepare students for exams in his class.
